

BE A FLORIDA POKER SPONSOR!!!

Support the Florida Pokers Baseball Organization and provide a sponsorship to one of our players by advertising your business on our website.

The summer baseball community is buzzing about the growth and development of the Florida Pokers organization. Here's a chance for your business to join in the excitement.

Our Online Sponsorship Program offers businesses in the South Florida area the opportunity to get their company's name and/or logo in front of those who visit our website throughout the year. Your message will be seen when you advertise on either our front page or our corporate sponsorship page and will be displayed throughout the year. All monies collected will go toward sponsoring our athletes and providing them the opportunity to gain the necessary exposure that will allow them to play baseball in college and beyond.

You and your business will have a choice between having your ad placed on the front page of our website or on our newly created corporate sponsorship page for the entire year exhibiting your support for our student-athletes and all their hard work.

The ad will be created from your business card or any other artwork you would like. Renewals for the following year will be offered at a discount.

Since the creation of our website we have had over 170,000 visitors since its inception in 2006. This is your opportunity to not only drum up extra business through advertising but will also provide some of our players the opportunity to fulfill their dreams of playing the game that they love beyond their high school careers.

Please print and send this form with a checks payable to Florida Pokers Baseball and mail your check for the appropriate amount to Florida Pokers Baseball, 2203 N 42nd Ave, Hollywood, FL 33021. All ads will be placed on the site as soon as the artwork and payment are received.
